DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 21-24 are rejected under 35 U.S.C. 102(b) as being anticipated by Wang.

There is disclosed in Wang a bread maker, comprising: a main body 2; a base frame 7; a main frame 1 above the base frame forming an oven compartment, the main frame having a left and right frame (sidewalls 9) a rear frame (back wall) and an upper bracket (top wall); a control panel supporting frame 6; an oven 10 within the oven compartment; a heating system 12; a kneading system 11, 13, 15; a reinforcing member (front flange, figs. 3 and 7) mounted to the main frame; and an auxiliary reinforcing member (side flange, figs. 3 and 7) mounted to the main frame.

Allowable Subject Matter

Claims 2-20 are allowed.

Response to Arguments

Applicant's arguments filed 02 May 2007 have been fully considered but they are not persuasive. In regards to the amended subject matter, the reinforcing member of Wang is shown in the drawings as being attached to the top of and extending between the sides of the frame.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
